

## Training in 2010

Due to construction of a new school at the bottom oval and car park, we will have to enter Parramatta Marist via UWS this season.

To do this, head along Hawkesbury Road (north bound, towards the hospital) and enter via the main entrance.

Follow the main road towards the back. You can either park in P3, or in the parking lot in front of the "P" building.

The entrance is at the end of the main road.
